Dear Jim:

A special word of thanks and recognition as  
you step down from the Editorial Board of  
Studies in Intelligence.

You brought unique insights to the Board,  
frequently sparking our quarterly deliberations,  
and sought the novel and unusual piece for  
publication.

The Board will not be the same.

On the occasion of your departure, a special word from the Chairman and members of the Editorial Board of Studies in Intelligence. A word of thanks.

Over the several years that you have served on the Board, you have been a source of support and encouragement to several editors and a welcome and sprightly participant in our quarterly deliberations.

Your enthusiasm for the journal cannot be mistaken; nor can the diligence with which you've read drafts, proposing helpful editorial fixes, or sought out prospective authors.

We thank you.
